1. [] [] ORR, called to say that [] an Agency employee [] on loan to the Department of Interior, has received a call from the office of Senator Kenneth E. Keating asking that he come up to talk with the Senator. [] has done a considerable amount of work on petroleum studies in connection with his present affiliation with the Department of Interior, and it is in connection with this that the Senator wished to talk to him. [] asked if we saw any problems on this. I indicated if ORR saw no problem and [] Agency connection did not become involved, I saw no objection to his meeting with the Senator. 25X1
